70% COTONE - COTTON
30% LINO - LINO

Questo filato è tinto a mano, e per questo ogni matassino è unico e irripetibile. Vi preghiamo di considerare ogni incongruenza di colore come un pregio, in quanto derivante da un'attività artigianale e manuale.

This yarn is dyed by hand: each skein is unique and different from any other. Please consider any inconsistency in color as an added value, because it originates from a manual craft.
