## Barbapuffoli cowl or hat

*di Alice Twain*

This fun accessory can be used as a cowl or as a headwarmer (a hat without a top). It can be knitted with a single ball of Bibi, a fun yarn that adds loads of texture and colors to your knitting. It is perfect for knitting small items, like this accessory, but will also come handy to add colorful details when knitting with more straightforward yarns like Stout or Bulky. When knitting with Bibi, use your fingers to push the colorful “blobs” towards the front of your knitting so that the decorative effect is maximized. If you want a wider cowl, c.o. 12 extra stitches and leave 2 extra stitches between the markers.
