Now stop working with needle 1.

HEEL

GO ON WORKING ONLY ON Needle 2 as follows:

Forward Pass A: k31, PM, k2, k2tog, k1, turn and pull the yarn very tight.

Back B: slip 1 stitch with yarn in front, purl till 2 stitches after the marker, ssp, p1, turn and pull the yarn very tight.

After every round there will be a little space between the last worked stitch and the first stitch on hold: This space will be the reference point for the following short rows instead of the marker, which will be removed during the next round.

Forward pass 1: slip 1 stitch with yarn in back, , k3, RM, knit till 1 stitch before the space, k2tog, k1, turn and pull the yarn very tight.

Back pass 2: slip 1 stitch with yarn in front, purl till 1 stitch before the space, ssp, p1, turn and pull the yarn very tight.

Repeat Forward Pass 1 and Back Pass 2 until you'll have 36 stitches on the needle (32 stitches between the spaces and 2 + 2 stitches on hold).

Work 1 more forward Pass as follows: k till 3 stitches from the end, k2tog, k1.

Now we start again to work in the round:

Round A:

Needle 1: k3, *p2, k4*, repeat from * to * 4 times, p2, k3.

Needle 2 : k1, place this stitch on Needle 1, ssk, k till 3 stitches from the end, place the last 3 stitches on Needle 1.

Now you'll have 36 stitches on Needle 1 and 30 stitches on Needle 2: go on working in the round extending the Candy 4 stitch also on Needle 2) till you reach the length desired.

Round 1:

Needle 1: *P2, y/o1, k4, slip the y/o over the k4 you have just worked *, repeat from * to * 6 times.

Needle 2: *P2, y/o1, k4, slip the y/o over the k4 you have just worked* repeat from * to * 5 times.

Round 2, 3 and 4:

Needle 1: *p2, k4* repeat from * to * 6 times

Needle 2: *p2, k4* repeat from * to * 5 times.

For the sock you see in the photo repeat from Round 1 to Round 4 8 times finishing then with 1 time Round 1.

Finish your sock with an edging as you desire (ribbing 1/1, 2/2).

In the sock you see in the photo I worked 12 rounds with ribbing 1/1.
