KNIT&REVERSE

Jacket/Coat

by MariaGrazia Berno

mgb KNIT DESIGNER

One Size

Gauge: 10 stitches rib stitch = 10 cm

Material:
Yarn Amore 115 - Borgo de'Pazzi Firenze®:
250 gr. Color 1, 200 gr. Color 2, 100 gr. Color 3
Knitting Needles: 10 mm 80 cm cable , 10 mm double pointed
Other: 5 buttons, revolutions counter, 4 stitch markers, tapestry needle

S**TITCHES&ABBREVIATIONS**

TSS: Tunisian Simple Stitch
TPS: Tunisian Purl Stitch
TRS: Tunisian Reverse Stitch
TKS: Tunisian Knit Stitch
E: Edge
2TSStog: 2 Tunisian Simple Stitches together
2TSStogr: 2 Tunisian Simple Stitches worked together and taken inserting ohe hook from left to right
SM: Stitch marker

ISM: Insert Stitch Marker

REMARKS
The foundation rows is worked on the chains. It is necessary to work a complete foundation row (forward and back) in order to start then with the fantasy stitch.
A complete row is made of forward and back row. In the instructions Indicated with numbers the complete rows.
The back row, if not indicated has to be worked as follows:
y/o and pull it through 1 loop, * y/o and pull it through 2 loops* repeat from *to * till you remain with 1 loop on the hook.

INSTRUCTIONS

The jacket is worked bottom- up and without seamings

Front and back side:
With Color nr. 1 and hook with cable cast on 163 chains and work the foundation row.

Row 1: E, TKS, (TRS, TKS) till 1 stitch before the end of the row, TKS.
Row 2 to Row 6: like Row 1.
Row 7 (forward): E, TKS, (TRS, TKS) till 1 stitch before the end of the row, TKS.
Row 7 (back): Y/o and pull it through 1 loop, (y/o and pull it through 2 loops 7 times), *chain1, y/o and pull it through 4 loops, chain1, (y/o and pull it through 2 loops 3 times)*; repeat from * to * till 11 stitches from the end of the row,
chain1, y/o and pull it through 4 loops, chain1, (y/o and pull it through 2 loops 8 times).

Row 8 (forward): E, (TKS, TRS) 3 times, pm, *1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain, 3TSS* repeat from * to * till a 11 stitches from the end of the row, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain, TKS, (TRS, TKS) 3 times, TKS.
Row 8 (back): like row 7.

Row 9: like row 8.

Row 10: E, (TKS, TRS) 3 times, TKS, *1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain, 3TSS * repeat from * to * till 11 stitches from the end of therow, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain, TKS, (TRS, TKS) 3 times, TKS.

Row 10 (back): Y/o and pull it through 1 loop (Y/o and pull it through 2 loops 7 Times), *(Y/o and pull it through 2 loops 3 times) chain1, Y/o and pull it through 4 loops, chain1* repeat from * to * till 11 stitches from the end of the row, (Y/o and pull it through 2 loops 11 times).

Row 11 (forward): E, (TKS,TRS) 3 times, TKS, *3TSS, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain * repeat from * to * till 11 stitches from the end of the row, 3TSS, TKS, (TRS, TKS) 3 times, TKS.
Row 11 (back): like row 10.
Row 12: like row 11.

Row 13 (forward): E, (TKS, TRS) 3 times, TKS, *3TSS, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of previous row, 1 TSS in the space under the chain * repeat from * to * till stitches to the end of the row, 3TSS, TKS, (TRS, TKS) 3 times, TKS.

Row 13 (back): Scarico: Y/o and pull it through 1 loop, (Y/o and pull it through 2 loops 7 times), * chain1, Y/o and pull it through 4 loops, chain1, , (Y/o and pull it through 2 loops 3 times)* repeat from * to * till 11 stitches from the end of the row, chain1Y/o and pull it through 4 loops 4, chain1, (Y/o and pull it through 2 loops 8 times).

Repeat from row 8 to row 13 three more times, changing into Color 2 at row 11 of the second repeat, and going on working with Color 1 the 8 stitches of the edge where you will fix the buttons .

Put the work on hold at the last repeat of row 12.

Sleeves (work both at the same time):

With double ended crochet hook and Color 1 cast on 60 chains, close the chain in the round and work the foundation round. Insert a stitch marker at the beginning of the round.

Round 1: (TKS, TRS) till SM

Round 2 ro Round 6: like Round 1.

Round 7 (forward): (TKS, TRS) till SM.

Round 7 (back):Scarico: *chain1, Y/o and pull it through 4 loops, chain1, (Y/o and pull il through 2 loops 3 times)* repeat from * to * till SM.

Round 8 (forward): *1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 3

TSS * repeat from * to * till the SM.

Round 8 (back): like row 7.

Round 9: like round 8.

Round 10: *1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 3 TSS*

Repeat from * to * till SM.

Round 10 (back): * (Y/o and pull it through 2 loops 3 times), chain1, Y/o and pull it through 4 loops, chain1* repeat from * to * till SM.

Round 11 (forward): *3TSS, 1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the

chain* repeat from * to * till SM.

Round 11 (back): like round 10.

Round 12: like round 11.

Yoke:

Once the sleeves sare finished, go on working the front and back side of the body which were put on hold, following the instructions below and using the crochet hook with cable, starting from the right front side:

Row 1(forward): E, (TKS, TRS) 3 times, TKS, *3TSS, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row,
1 TSS in the space under the chain* repeat from * to * 6 times, insert the first sleeve and work from * to * 10 times (starting 3 stitches after the SM): go on
working on the back side repeating from * to * 12 times, 3TSS, insert the second sleeve and work *1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 3 TSS* repeating from * to * 10 times (starting 3 stitches after the SM).
Finish working the left front side repeating from * to * 6 times, (TRS, TKS) 3 times, TKS..
Row 1 (back): like row 13.
Row 2 (forward): E, (TKS, TRS) 3 times, TKS, *1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 3TSS* repeat from * to * 5 times, 1 TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, , 2TSStogr, ISM, 2TSS, 2TSStog, *3TSS, 1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the spaace under the chain* repeat from * to * 9 times, 2TSStogr, ISM, 2TSS, 2TSStog: go on working in the back side *3TSS, 1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain* repeating from * to * 11 times, 3TSS, 2TSStogr, ISM, 2TSS, 2TSStog, *1TSS in the space under the chain, 1TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 3 TSS* repeat from * to * 9 times, 2TSStogr, ISM, 2TSS, 2TSStog, *1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1TSS in the space under the chain, 3TSS*, repeat from * to * 5 times ,1TSS in the space under the chain, 1 TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, TKS (TRS, TKS) 3 times, TKS
Row 2 (back): like row 13.
Keep going working decreasing 1 stitch at every side of the 2TSS indicated
by the SM of the raglan.

Change in Color 3 after 18 coplete rows worked with Color 2.a.

Remark: in the back row close normally the three stitches preceding and following the 2TSS of the raglans.

Once arrived at the 15 th forward row with Color 3, put on hold the 8 stitches worked with Color 1 on the left side. During the following forward row do the same with the 8 stitches worked with Color 1 on the right side.

At the 16 th forward row worked with Color 3, put on hold 3 stitches on the left side, during the next back row, do the same on the right side.

At the 17 th forward row worked with Color 3, put on hold 3 stitches on the left side, during the next back row, do the same on the right side.

At the 18 th forward row worked with Color 3, put on hold 3 stitches on the left side, during the next back row, do the same on the right side.

Cut the yarn of Color 3 and go on working the neck only with color 1 as follows:

E, (TKS, TRS) 3 times, TKS, 18TSS *1TSS in the space under the chain, 1 TSS in the closing chian of the cluster of the previouus row, 1 TSS in thespace under the chain, 3 TSS* 2 times, 1 TSS in the space under the chain, 1

TSS in the closing chain of the cluster of the previous row, 1 TSS in the space under the chain, 18 TSS, (TKS, TRS) 3 times,

Back row: normal.

Work the **neck a**s follows:

Row 1 (forward): E, TKS, (TRS, TKS) till 1 stitch from the end of the row, TKS.
Row 1 (back) : normal.

Repeat row1 per 13 times Close all stitches during the next forward row.

FINISHING
Ply the neck in the middle and sew it inside.
Work 1 row slip stitches on the front part of the work at the base of the neck in order to give it more steadiness.

Weave in the tails.

Soak, block and wear it!
