Construction notes

Seaside Rendezvous is a top-down shawl: starting from a chain ring, it is worked in rows.

It is beginner-friendly: to crochet this project, you have to know chain stitch and US double crochet only.

Border is made with back loop single crochet and picots but, if you prefer, you can just use standard single crochet.

If you want a bigger shawl, keep on working rows 5 and 6 until you have a project of the desired size.

Seaside rendezvous is one of the lesser known Queen songs, and it's mostly made of irony, tongue-in-cheek humour and edonism.

Seaside rendezvous is a transition shawl: perfect to wear on flats, jeans and a shirt for a French feel in the town or for a stealthy date by the seaside.
