CRISANTEMO

@Veruska 2015

**Borgo de'Pazzi**<sup>®</sup>  
F I R E N Z E

## Notes

US crochet terminology is used in this pattern.  
For UK readers: US single crochet = double  
crochet, US double crochet = treble crochet.

Working the first few rounds, the project will look “wonky” and convex. Do not worry, it will take the shape of a hat crocheting the next rounds.

Remember to always put the stitchmarker in the last triangle (see below) of the last completed round.

## Stitches, techniques, abbreviations

Chain stitch (ch); double crochet (dc); picot (P);  
repeat (r); round/s (rnd); single crochet (sc); slip  
stitch (sl st); together (tog); triangle (T).

## Size

Medium: head circumference of about 52-55 cm,  
large: up to 60 cm.

## Level

Intermediate

## Yarn

Borgo de'Pazzi, Indio, 50gr/150m, 100% wool, 2  
balls.

## Hook

4 mm (G)

## Materials

Tapestry needle

1 stitch marker

## Gauge

Rounds 1- 4 in pattern stitch = 9 cm diameter

## Description

Crisantemo is a top down hat worked in the  
round, with a border made of single crochet and  
picots. Crisantemo can be worn with the picots  
facing outside or facing inside (in this case, the  
stitch pattern will also look more texturized).

## Special stitches

Picot: ch 3, sl st into top of sc made before the  
ch-3.

Triangle (T): ch 6, skip 3 ch (the first 3 ch of each  
T count as a dc), work 3 dc tog into the next 3 ch  
(i.e. work 1 dc without completing it in each one  
of the next 3 ch, then yarn over and close all 4  
loops on the hook together).

## LARGE SIZE ONLY

### Instructions

**1 rnd:** Leaving a 20 cm tail (you will use it later to close the small hole at the centre of the hat), crochet 3 T; join the first and the last T tog with a sl st in the first ch (the one nearest to the slip knot). Now you have a triangle-shaped hole surrounded by 3 triangles.

**2 rnd:** \* 1 T, ch 1, 1 sl st in top of the ch-3 group (counting as a dc) of next T, 1 T, 1 sc in the centre hole\*; rep from \* to \* 3 times; (6 T). Place marker in the last T. Remember to move your marker in the last T of each following rnd.

**3 rnd:** \* 1 T, ch 1, 1 sl st in top of the ch-3 group of next T, 1 T, 1 sc in space between next 2 T of previous rnd\*; rep from \* to \* 5 times, 1 T, ch 1, 1 sl st in top of the ch-3 group of next T; (11 T).

**4 rnd:** \* 1 T, 1 sc in space between next 2 T of previous rnd, 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T (locking them tog)\*; rep from \* to \* 5 times, 1 T, 1 sc in space between next 2 T of previous rnd; (11 T).

**5 rnd:** 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T, \* 1 T, 1 sc in space between next 2 T

of previous rnd, 1 T, ch 1, 1 sl st in top of the ch-3 group of next T\*; rep from \* to \* 9 times, 1 T, 1 sc in space between next 2 T of previous rnd; (20 T).

**6 rnd:** \* 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T, 1 T, 1 sc in space between next 2 T of previous rnd\*; rep from \* to \* 10 times; (20 T).

### MEDIUM SIZE ONLY

**7-16 rnd:** \* 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T, 1 T, 1 sc in space between next 2 T of previous rnd\*; rep from \* to \* 10 times; (20 T).

**7 rnd:** (1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T, 1 T, 1 sc in space between next 2 T of previous rnd) 2 times, \* 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T (1 T, 1 sc in space between next 2 T of previous rnd, 1 T, ch 1, 1 sl st in top of the ch-3 group of next T) 2 times, 1 T, 1 sc in space between next 2 T of previous rnd\*; rep from \* to \* 3 times, (1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T, 1 T, 1 sc in space between next 2 T of previous rnd) 2 times, 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T; (26 T).

**8-18 rnd:** \* 1 T, 1 sc in space between next 2 T of previous rnd, 1 T, ch 1, 1 sl st in top of the ch-3 groups of next 2 T \* 13 times; (26 T).

### ALL SIZES

#### Border

1 T, 1 sc in same space, work 3 sc, 1 P on top corner, 3 sc in each T.

#### Finishing

Break yarn. Seam closed the center hole using yarn tail, weaving it on top of dc stitches and pulling lightly. You can also hide the small hole with a button or a pom pom.

Weave in ends. Wash Crisantemo according to the ball band instructions and let it dry on a flat surface. If you want to enhance the picots, lightly block the hat putting a pin in each picot.

Thanks to Marinella and Erika for testing the pattern.
