BINARIO

Maxi Scarf

© Veruska

Finished size

190 x 24 cm

Level: Easy

Yarn

Borgo de'Pazzi, Elisa, 200 gr/90 mt, 100% wool; main color Elisa 54, contrasting color Elisa 59.

Hook: 15 mm (US 19)

Materials

Tapestry needle

Scissors

Gauge

5 sl st blo x 10,5 rows = 10x10 cm

Construction

Binario is worked lengthwise. To make the fringes, you shall split the yarn, then you shall add them at random intervals and different heights, with duplicate stitching, using the picture as a guide.

Notes

Crochet some slip stitch swatches if you never slip stitched before: it is a tight stitch and requires some practice to get the best results.

Stitches, techniques, abbreviations

Chain stitch (ch); contrasting color (cc); main color (mc); repeat (r); row/s (r); slip stitch back loop only (sl st blo); slip stitch front loop only (sl st flo).

Instructions

Start: leaving a 30 cm tail, ch 101 with CC. Leaving a 30 cm tail, cut yarn and pull the tail through the last ch st, turning it into a knot.

1 r: leaving a 30 cm tail, join MC to the first ch st and, working into the back loop of each ch st (the loop on the back of the V) sl st in each ch st; (100 sl st).

2 r: ch 1, turn work, 1 sl st in the first sl st, 1 sl st blo in the next 98 sts, 1 sl st in the last sl st.

3-17 r: rep r 2.

18 r: rep r 2, cut yarn leaving a 30 cm tail.

19 r: leaving a 30 cm tail, join CC to the last sl st, 1 sl st flo in next 98 sts, 1 sl st in last sl st. Cut yarn, leaving a 30 cm tail.

Add fringes

Split the CC yarn, separating the 2 plies. Cut 16 fringes of 60 cm each from the blue ply only. Working on the short side of the scarf, find the Vs created by the sl sts. This will be your “right side”. Thread the blue yarn into the needle leaving about a 27 cm long tail and, in a random order at different heights, duplicate-stitch embroider one fringe into each V, using the picture as a guide.

Turn the scarf on the wrong side and add fringes to the other short side of the scarf.

Finishing

Trim the fringes. Wash the scarf and let it dry on a flat surface.
