Special techniques:

Wrap & turn

On the right side of the work: work until the stitch which has to be wrapped and turned. Move the yarn on the front side of the work, slip one stitch on the right needle as to purl it, move again the yarn on the back of the work, slip back the wrapped stitch to the left needle and turn your work. Go on working in the opposite direction. On the wrong side of the work: work until the stitch which has to be wrapped and turned. Move the yarn on the back of the work, slip one stitch on the right needle as to purl it, move again the stitch on the front of the work, slip back the wrapped stitch to the left needle and turn your work. Go on working in the opposite direction. How to work wrapped stitches: On the right side of the work: lift the wrapping yarn from the front side of the work, put it on the left needle, and knit the yarn and the stitch together. On the wrong side of the work: lift the wrapping yarn from the back of the work and put it on the left needle, purl the yarn and the stitch together.
